Dear Parents or Guardian,

The purpose of this form is to help us identify children enrolled in the Oregon Trail School District who may be having difficulty in either understanding, speaking, reading and/or writing the English language because their primary or home language is other than English.

This information is required in order that the Oregon Trail School District (and the Oregon State Department of Education) may more carefully determine the educational programs necessary to meet the need of these children.

Please check the appropriate line, then sign, date and return this completed form to your child's homeroom teacher. Thank you for your cooperation.
