To parents/guardians of Oregon Trail students:

The Oregon Trail School District's Student Code of Conduct was developed to protect both students' rights and those of others. The code outlines the academic, behavioral and extracurricular expectations for students and provides guidelines for dealing with behaviors that interfere with the education of students and lead to disciplinary actions. The document is written to agree with local, state and federal laws and is updated each year.

### **FORMAL ACKNOWLEDGEMENT of Student Code of Conduct**

The student code of conduct contains information for parents, guardians and students. We acknowledge that we have reviewed the code of conduct located online at [www.oregontrailschools.com](http://www.oregontrailschools.com) under the "Parent" menu. A copy of the student code of conduct is also available upon request at my student's school office.

We are aware that the code contains information and policies for our review. We understand that all students will be held accountable for their behavior and that failure to abide by the guidelines for student behavior can result in the discipline outlined in the code of conduct. We further understand that failure to return this acknowledgement form does not excuse any individual from complying with the code of conduct, Oregon Trail District policies, regulations and guidelines.

We are aware that the Oregon Trail School District reserves the right at any time to add to the policies, regulations and behavioral standards contained in the code of conduct.

Please sign below and return this form to the school to certify that all parents, guardians and the student have read the policies and agree to abide by them. Please return this form to the school by **within two weeks of the start of the school year or first date of enrollment for new students.**
