

FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education offers a comprehensive picture of what Firwood Elementary School offers.

We will continue to focus our resources on implementing state standards to increase reading and math rigor for students and reinforce literacy across the content areas.

Our approaches for increasing the achievement of all students include:

- A school-wide reteach and enrich math block during the school day for 30 minutes. This additional math instruction provides students with enrichment or reteach depending on their strengths or deficits with particular math skills for the week.
- Daily targeted reading and math instruction during the school day to accelerate all learners.
- Before school reading program for struggling readers.

We promise to deliver the same excellence you have come to expect from Firwood Elementary School.

You can help by ensuring your student attends school regularly and on time, monitoring your student's homework, assuring your student is reading daily at home, attending parent-teacher conferences, attending parent workshops, or even volunteering. You can review your student's academic progress any time by contacting your child's classroom teacher. We look forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

Principal | Tara Black

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
