## FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education offers a comprehensive picture of what Firwood Elementary School offers.

We will continue to focus our resources on implementing state standards to increase reading and math rigor for students and reinforce literacy across the content areas.

Our approaches for increasing the achievement of all students include:

- A school-wide reteach and enrich math block during the school day for 30 minutes. This additional math instruction provides students with enrichment or reteach depending on their strengths or deficits with particular math skills for the week.

- Daily targeted reading and math instruction during the school day to accelerate all learners.

Before school reading program for struggling readers.

We promise to deliver the same excellence you have come to expect from Firwood Elementary School.

You can help by ensuring your student attends school regularly and on time, monitoring your student's homework, assuring your student is reading daily at home, attending parent-teacher conferences, attending parent workshops, or even volunteering. You can review your student's academic progress any time by contacting your child's classroom teacher. We look forward to partnering with you over the coming year to make sure all of our students reach their potential!

Thank you,

Principal | Tara Black

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
