FROM THE PRINCIPAL

Dear Parents and Community Members,

We are proud of the work we are doing with our students and families at Kelso. We strive to improve by focusing on supports for students not performing at grade level and by continuing to challenge students performing at or above grade-level. We will do so by providing effective and strategic interventions and by improving our classroom instruction particularly in areas of math and reading; by providing ongoing support and training for teachers in these areas; and by using assessment to drive and tailor instruction to meet the needs of our students. In addition, we strive to create a safe and happy environment for students to learn and explore, where we create high expectations for behavior and citizenship and foster a love of learning in our

students. To support your student at home please read to them daily, provide them a quiet area to do their homework, and communicate regularly with the school regarding their academic progress. Most importantly, please ensure your student attends school regularly.

We are looking forward to an excellent year at Kelso and are sure we can continue to surpass our academic progress.

Thank you,

Principal | Robbie Bouslaugh

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
