FROM THE PRINCIPAL

Dear Parents and Community Members,

NAAS ELEMENTARY - *Inspiring kids to succeed through mind, heart and community*

Daily practices at Naas Elementary focus on the academic, social and emotional growth of our students. We strive to include all aspects of a child's development in our daily program, knowing that all are critical components to students' success.

As a result, Naas continues to show positive growth in student performance. Over the past seven years Naas has consistently performed above the state average in academic testing.

Our work to continue improving programs for all students includes: Title 1 support in reading and math, before school reading and math support, integrated arts program, pre-k programs, online academic support, active adult volunteer program, and strong school to home communication.

Parent support and community involvement are critical components of our school. Parents can help at home by making sure your child receives needed rest and nutrition, attends school regularly, and completes homework accurately and on time. We also encourage you to volunteer, attend school activities and communicate regularly with your child's teacher.

If you would like more information about Naas Elementary, please feel free to call the office. The Naas staff looks forward to working with you and your child in the coming years!

Thank you,

Principal | Kimberly Brooks
